

About the Program

Clinical Leadership in Practice
(CLiP) Program

The PMCV has developed a revised version of the successful Professional Development Program for Registrars (PDPR) that can be delivered in a flexible modular format. The program is titled the Clinical Leadership in Practice (CLiP) program and comprises five modules

Each module stands on its own and participants may choose to do one, some or the complete suite of the five modules.

[CLiP Program Flyer >>](#)

Participants

Doctors working in registrar positions or who will shortly be moving into a registrar position.

Certification

Certificates of Attendance will be given for each completed module. To qualify for the PMCV Clinical Leadership in Practice program certificate completion of all five modules is required.

Participants may claim CLiP module hours for CPD requirements from various Colleges (RACS, ACEM, RACP, RACGP, ACRRM, ANZCA, RANZCP, RANZCR, RANZCO, RANXCOG, RACMA)

Module Fees

Costing for each module varies and is reflective of the supply and use of materials and exercises within each module. Refer to the CLiP program flyer for the cost of each module.
